

Charles McCabe, D.C.
Regional Chiropractic Center - 215.331.2500

HEALTH EVALUATION FORM

Self Evaluation to determine whether you may benefit from Chiropractic Care.

If you have one or more of these situations, you may benefit from a visit to a qualified Chiropractic Center.

- Neck, shoulder and/or arm pain or numbness
- Pain between shoulder blades
- Low back, hip and or leg pain or numbness
- Back pain with difficulty sitting, bending and or lifting
- Difficulty sleeping due to neck or back pain
- Unsuccessful previous neck or back surgery, especially with recurrent or worse symptoms
- Progressive weakness in your arms/hands or legs
- Transient reoccurring generalized joint pains, stiffness or swelling
- Unable to walk more than one block due to back or leg pain.
- Inability to return to work following a work related injury
- Recommended for orthopedic surgery
- General malaise or weakness, inability to perform activities of daily living.
- Desire to have a comprehensive evaluation for establishing a general program for prevention and enhancement of good health
- Chronic Headaches and or Dizziness
